BEZEMA INDIGO
BEZOXYL
TUBANTIN**

do not contain any of the 209 substances enclosed in the REACH Candidate List of Substances of Very High Concern (SVHCs) for Authorization (last update: 25 June 2020). According to our state of knowledge also the used raw materials do not contain any of the substances listed there. The quantitative estimation of the mentioned substances as impurity in the raw materials is not part of our quality control system.

If you have further questions do not hesitate and contact us. If you need additional information on SVHCs and REACH please consult the official website of ECHA:
